Our Fathers Wore Blue Badge

In celebration of the Sesquicentennial, the California Nevada Department is offering this striking badge created in remembrance of our ancestral fathers who saved our nation.

The badge is a series of connected pieces symbolic of the military forces during the Civil War. The top portion is embossed with the DUVCW acronym.

The center piece is a scalloped circle with the cavalry being represented by the crossed swords and the artillery with the crossed cannons.

The phrase, "Our Fathers Wore Blue" is centered with "1861-1865" appearing near the cannons.

The infantry is symbolized by the two rifles that intersect the circle.

And, finally, the third piece is an anchor representing the combined services of the marines, navy and revenue cutter service.

This beautiful antique brass finish badge is ~ 2 ¼ inches in length. The diameter of the scalloped circle is ~ ¾ inch, while from the gun barrel to the gun hilt is little over an inch.

The badge is available for \$30.00 each, postage and handling included.
