

Dear Sisters,

It is my great honor to serve as your National President. Thank you for your confidence in me and for your support going forward. Please keep in mind however, that this is an organization made up of many talented and dedicated Sisters. Together we can be a vibrant force in our communities and throughout the Country.

The 2018-19 Administration will have two major themes:

#1 As an individual and as an organization we can Be anything and everything we want to be. Together through communication, cooperation and hard work, we can accomplish whatever goals we set. This theme is represented by the Bee pin which is being sold to fund the National President's project which will focus on increasing membership through many platforms.

#2 The other theme is honoring our fallen heroes, veterans, current military, first responders and their families. We must keep green the memory of our ancestors who Saved our Flag, but we also need to be relevant in today's world. I believe women join service organizations to serve. We also like our service to be meaningful within our communities. Serving Veterans, current Military, and first responders most certainly gives us that opportunity.

Again, thank you for your service to the Daughters of Union Veterans of the Civil War, 1861-1865, and for the trust and confidence you have placed in me.

In Fraternity, Charity and Loyalty,

Sarah W. Meyer
